Residium – innovative and economical

Residium is a range of economical general-purpose road-lighting luminaires. Easy to service and accommodating both Fortimo linear led module technology and conventional PL-L and SOX lamps, Residium offers low energy and maintenance costs. Innovative mirror optics ensure optimum light distribution and minimal light pollution.

With their balanced design, Residium luminaires are suitable for post-top and side-entry mounting.

Due to missing symmetry properties, no UGR table can be displayed for this luminaire.
